MEMORANDUM FOR: Chief, Medical Staff

SUBJECT : Request for Review of Medical Charges

1. Attached is a schedule covering certain medical charges for services supplied by the Lovelace Clinic, which is a part of the Lovelace Foundation for Medical Education and Research, presently under contract to this Project to provide emergency facilities for any Project personnel requiring them.

2. Our Contracting Officer has asked that we request you to review the schedule and give us your impression concerning the equitability of the proposed charges for these services. Parts II and III of the attached need not concern your office since they refer to extra-medical items which are a matter of concern only to the administrative aspects of our contract.

3. It would be appreciated if you would call the undersigned when your review has been completed.
